

## Guidelines for Class Coverage and Planning Period Pay

### **Eligible for Class Coverage pay if:**

If a person is accepting additional students in their class –

If a person is giving up their one required uninterrupted planning time –

### **Not class coverage (no extra pay):**

If assigned to cover different students, not in addition to regularly assigned students, but instead of. This is considered a reassignment, not class coverage.

Assigned during planning time other than 40min uninterrupted guaranteed planning period. This is only valid if teacher has more than one planning period
