Dear Mrs. Croft,

Congratulations! On behalf of the Executive Committee of the Southeast Region of the Ohio School Boards Association, I am pleased to celebrate your selection as the Ohio Department of Education's 2023 Teacher of the Year for District 9 of the Ohio State Board of Education.

This is a prestigious honor and reflects the hard work and commitment to educational excellence you bring to your students and to the Coshocton City School District. Raising the bar for high expectations from your students allows them the opportunity to grow as they, too, raise the bar for their personal goals and achievements.

The Executive Committee would like to formally recognize your accomplishment at the Southeast Region's Fall Conference on Thursday, September 29th at Tri-County Career Center in Nelsonville. I encourage as many as possible from your school district to attend the conference and be a part of the special recognition.

There is no cost for you to attend. For those who need to make reservations, the reservation form can be downloaded at: <http://links.ohioschoolboards.org/sefall2022>. You can also e-mail your reservation to Melanie Price, OSBA senior administrative assistant of communication services at: mprice@hioschoolboards.org or (614) 540-4000. If you have any questions, please do not hesitate to contact me.

Once again, congratulations and best wishes! I look forward to seeing you in Nelsonville!

Sincerely,

Paul D. Mock, Regional Manager
