

**Coshocton City Schools Annual Nutrition Report**  
**Prepared by Jennifer Andrews 4/25/2024**

**Average meals served for 2023-24:**

<b>High School</b>		<b>Elementary</b>
<b>Breakfast</b>	125 Daily	415 Daily
<b>Lunch</b>	480 Daily	660 Daily

**Community Eligibility Provision (CEP) Status:**

**Becky Fletcher and I recently evaluated our ISP\* and our numbers have increased.**

**Our calculations are showing the ISP at 64.69% district wide (45.79% previously). I will be submitting the new percentages to the State which will raise our reimbursement rate for the 2024-25 School Year. All meals served, will be reimbursed at the free rate. Our current reimbursement is 73.26% at the free rate (\$4.35 for lunch and \$2.67 for breakfast) and 26.74% at the paid rate (\$.79 for lunch, \$.42 for breakfast)**

**The reason we are seeing a big jump in numbers is because medicaid participants now qualify in direct certification. Until now, only SNAP (Supplemental Nutrition Assistance Program) participants were directly certified.**

**\*Identified Student Percentage is the number of students, directly certified by the State, homeless, foster, or migrant.**

To comply with Ohio Revised Code 3313.814 our district has adopted and continues to enforce Board Policy 8550. Contact [jennifer.andrews@coshoctoncityschools.com](mailto:jennifer.andrews@coshoctoncityschools.com) for ***approval of food and beverages sold during the school day.***

**8550 - COMPETITIVE FOOD SALES**

The Food and Nutrition Services Department will comply with the provisions set forth in Federal law regarding sale of competitive food and foods of minimal nutritional value.

The Food and Nutrition Service Department shall be the sole provider of food and beverage items sold in all schools until thirty (30) minutes following the last lunch period, at which time other school organizations may begin to sell foods and beverage items in accordance with the Board's food service policy (Policy 8500) and guidelines (AG 8500 and AG 8500A) and with the Principals approval. All food items and beverages sold to students that will be consumed on the school campus (any area of property under the jurisdiction of the school that is accessible to students during the school day) during the school day (the period from midnight before to thirty (30) minutes after the end of the official school day) shall comply with the USDA dietary guidelines for Americans and the USDA Smart Snacks in School nutrition standards.

The food and beverages to be sold must be in accordance with the District's approved nutrition standards and the Districts wellness policy (Policy 8510) and guidelines (AG 8500 and AG 8500A). All food items and beverages sold to students that will be consumed on the school campus (any property under the jurisdiction of the school that is accessible to students during the school day) during the school day (the period from the midnight before to thirty (30) minutes after the end of the official school day), including items sold from vending machines, from school stores, or as fundraisers, including fundraisers operated by student clubs and organizations, parent groups, or booster clubs, shall comply with the USDA Dietary Guidelines for Americans and the USDA Smart Snacks in School nutrition standards.
