Dear Mr. Kowalski:

Thank you for your interest and intent to partner with Rhodes State College for the **College Credit Plus** program authorized by the Ohio Revised Code Chapter 3365 and its accompanying regulations.

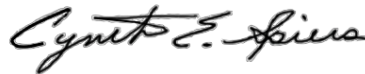

Attached to this letter is a Memorandum of Understanding covering **Coshocton City Schools** College Credit Plus program arrangements with the College. Among other provisions, the Memorandum of Understanding includes provisions regarding the payment structure for tuition, textbooks and fees. The Ohio Revised Code 3365.07(A)(2) and Ohio Administrative Code 3333-1-65.6 require us to include such language in the Memorandum of Understanding. The rates are applicable to the 2024-2025 academic year.

Please note, as indicated above, that the per credit hour payment rates contained in the Memorandum of Understanding are based upon the default funding structure established by the Ohio Revised Code 3365.07. The default amounts are based upon the Per Pupil Foundation amount determined by Ohio's General Assembly. The 2024-2025 default rates will be finalized upon enactment of the state operating budget and will be calculated by July 01, 2024.

Additionally attached to this letter you will find a Data Sharing Agreement. The Data Sharing Agreement enables the exchange of appropriate information related to our **College Credit Plus** partnership. Please complete and return the MOU and the Data Sharing Agreement by May 1, 2024.

We look forward to partnering with your school to offer students post-secondary courses for the 2024-2025 academic year.

Sincerely,

A handwritten signature in black ink, reading "Cynthia E. Spiers".

**COLLEGE CREDIT PLUS
MEMORANDUM OF UNDERSTANDING**

The Memorandum of Understanding (MOU) is entered into this 1st day of March, 2024 between **James A. Rhodes State College (“Rhodes”)** and **Coshocton City Schools (“District”)**. College Credit Plus (“CCP”) is a State of Ohio program which enables Ohio high school students to enroll in public colleges, such as Rhodes, on a full or part-time basis and complete non-sectarian, non-remedial courses for post-secondary credit or for high school and post-secondary credit. This program is not intended to be a substitute for the academic programs and other educational experiences offered by Ohio’s high schools. This MOU is governed by and subject to Ohio Revised Code Chapter 3365.

A. CCP courses may be delivered under this MOU in one of three ways:

1. Rhodes Based (“RB”) – a course delivered on one of Rhodes’ campuses or at another location operated by Rhodes; or a course delivered and taught by Rhodes faculty online. -
2. Rhodes Taught (“RT”) – a course delivered at a secondary school in the District and taught by Rhodes faculty. Unless otherwise agreed by the parties, RT courses will be held at the post-secondary school at no cost to Rhodes; and
3. High School Based (“HSB”) – a course delivered at a secondary school in the District and taught by a District high school teacher who has met the credential requirements and been determined by Rhodes to qualify as adjunct faculty. The course will use Rhodes’ syllabus, textbooks and examinations. The course must have been approved by Rhodes as having equivalent content, learning objectives and outcomes, and work assignments as an on-campus college course.

B. Rhodes will:

1. Apply established standards and procedures for admission of CCP students to Rhodes and for course placement. Rhodes may consider available student data as an indicator of college readiness including grade point average and end of course examinations in making such determination. However, the CCP student must demonstrate that they are college ready and remediation-free. Rhodes is solely responsible for making the admission decision. Each student will be expected to:
 - Complete application materials;
 - Complete placement tests;
 - Provide prerequisite documentation and meet prerequisite course requirements, if required; and
 - Follow all Rhodes student policies and procedures, including procedures for initiating official withdrawal from courses.
2. Give priority to its current students regarding enrollment in courses. However, once a CCP student has been accepted into a course, Rhodes will not displace that student for another student.
3. Send written notice to the student, the student’s parent, the student’s secondary school and

the District's superintendent of public instruction, not later than 14 days prior to the first day of classes for the term, notice of the student's admission to Rhodes and to the specific courses under the CCP program.

4. Provide, not later than 21 days after the first day of classes for the academic term, to the student, the student's parent and the District's superintendent of public instruction, the courses and hours of enrollment of the student and the student's tuition payment and credit election to receive Rhodes or Rhodes and high school credit under Ohio Revised Code 3365.06 (A) or (B).
5. Provide a roster of participants to each District high school participating in the CCP that are enrolled in courses and a list of course assignments for each participant.
6. Promote the CCP program on Rhodes' website, including the details of this MOU.
7. Coordinate with the District to present at least one informational session per school year for interested students and parents.
8. Assign an academic advisor to each student. The academic advisor and the student will meet at least once to discuss the program and the courses in which the participant is enrolled.
9. Provide at least one three-hour professional development session per academic year for high school teachers that are teaching courses for Rhodes under the CCP program.
10. Conduct at least one classroom observation per school year for each course that is authorized by Rhodes and taught by a high school teacher to ensure the course meets the quality of a college level course.
11. Attempt to minimize the cost of textbooks for all District partners.

C. The District will:

1. Publicize all Rhodes CCP offerings prior to the first day of March of each year to all students in grades six through eleven.
2. Provide counseling services to students in grades six through eleven and to their parents before the students participate in the CCP program to ensure the students and parents are fully aware of the possible consequences and benefits of participation. The District agrees to provide all counseling information required by Ohio Revised Code 3365.04.
3. Identify qualified high school teachers eligible to teach CCP courses upon request.
4. Submit required documentation needed by Rhodes to credential appropriate high school faculty.
5. Complete the student enrollment process with Rhodes personnel ensuring student registration is completed prior to the end of the high school year. Intent to Participate

notices must be submitted to the state by April 1, 2024. Applications for new CCP students must be submitted to Rhodes by May 1, 2024 (Summer and Fall 2023) and November 15, 2024 (Spring 2025). Course Registrations must be submitted to Rhodes by the following dates:

- Summer 2024 by May 15, 2024
 - Fall 2024 by August 19, 2024
 - Spring 2025 by December 15, 2024
6. Communicate the process for admission and registration to students and parents.
 7. Communicate and adhere to course academic requirements/outcomes inclusive of participation in either the Rhodes State Early Alert system or the school academic progress report process.
 8. Provide or pay for all textbooks and related course materials for students participating in CCP at no cost to the students or to Rhodes.
 9. Ensure grades and student withdrawals are reported according to Rhodes deadlines.
 10. Provide all necessary tutoring and Americans with Disabilities Act accommodations for courses taught at a District high school.

D. Funding Arrangement

R.C. 3365.07 provides a funding and payment formula for CCP. This MOU establishes an alternative payment structure for tuition, textbooks, and fees. Rhodes and District recognize that this MOU is subject to review and approval by the Director of the Department of Higher Education. The per credit hour rate of tuition charged by Rhodes and paid by School District for academic year 2024-2025 for courses delivered will fall under the default tuition structure as established in the College Credit Plus legislation or Rhodes' approved tuition rate whichever is lower. The payment structure is as follows:

1. For RB courses – District will pay one hundred sixty-six dollars and fifty-five cents (\$166.55) per credit hour for a District student enrolled in a RB course including online. District will also cover the cost for textbooks and related course materials.
2. For RT courses - District will pay eighty-three dollars and twenty-eight cents (\$83.28) per credit hour for a District student enrolled in a RT course. District will also cover the cost for textbooks and related course materials.
3. For HSB courses - District will pay forty-one dollars and sixty-four cents (\$41.64) per credit hour for a District student enrolled in a HSB course. District will also cover the cost for textbooks and related course materials.
4. For RB, RT, and HSB courses, Rhodes waives payment of all fees related to participation in the CCP.
5. No District student enrolled in a RB, RT, or HSB course will be charged for any tuition, textbooks, related course material fees or other fees related to the CCP.

6. District may submit an invoice to Rhodes requesting that Rhodes cover a portion of the costs of textbooks and/or related course materials of no more than \$20.00/credit hour/per CCP student for HSB courses. Proof of payment for all expenses for which the District is requesting reimbursement must accompany the invoice. Invoices shall be due to Rhodes no later than May 15, 2025. After receipt and approval by Rhodes of a proper invoice, as determined by Rhodes, payment to District will be made. There will be no interest charges for past due invoices. Unless otherwise directed by Rhodes, invoices should be directed to Rhodes State College, ATTN: Dean of K-12 Partnerships, 4240 Campus Drive, Lima, Ohio 45804. Rhodes' payment is contingent upon Rhodes' treasurer's certification that sufficient appropriated funds are available as required pursuant to R.C. 3357.10.

E. Summer Session Design

State mandated guidelines specify that the CCP summer term must follow the exact stipulations and standards outlined in a MOU for the Fall and Spring semesters. In order to comply with these standards, Rhodes will serve as the hiring agent for any faculty member teaching courses within the District during the summer period. As such, the District will pay eighty-three dollars and twenty-eight cents (\$83.28) per credit hour for a District student enrolled in a RT course. The District will also cover the cost for textbooks and related course materials. For courses offered on the Rhodes campus during the summer term, the District will pay one hundred sixty-six dollars and fifty-five cents (\$166.55) per credit hour for a District student enrolled in a RB course.

F. Annual Review and Preparation of Exhibits

Each year, Rhodes and the District will prepare an Exhibit to this MOU that provides the agreed upon courses that are to be taught as RT and HSB courses.

A. Publicity

No publicity containing any reference to Rhodes, other than the fact that the MOU exists between the parties, shall be used by either party, except upon prior approval by the other party.

B. Term and Termination

The term of this MOU will be May 28, 2024 through June 1, 2025 (the beginning and ending dates of Rhodes 2024-2025 summer and academic year). Rhodes and District may renew this MOU for a subsequent term or terms (i.e. academic year or years), by executing a successor MOU on or before March 1 of the then current term year (subject to ODHE guidelines). Either party may terminate this MOU by providing sixty days (60) advance written notice to the other party. If the General Assembly fails to continue sufficient levels of funding for Rhodes and/or District, this MOU will cease without penalty to Rhodes or District as of the date of the reduction of funding by the State of Ohio to an insufficient level, and Rhodes and District will have no further obligation to carry out the parties' respective obligations set forth in this MOU.
