Subject: Notice of Retirement

Dear Members of the Board, Matt, and Tony,

Please accept this letter as formal notification that I will be retiring from my position as District Librarian of Coshocton City Schools, effective June 30, 2026.

Looking back on my career that has spanned 32 years, I am filled with bittersweet memories but also gratitude. It has been a privilege to serve the students of this district and to witness the evolution of our libraries from a room of printed encyclopedias to a digital-age hub of discovery.

I have worn many hats at CCS, but the past 16 years I've spent as the librarian fostering the love of reading have been the most rewarding. Finding just the right books for students, especially those who "didn't like to read," has given me tremendous joy.

I want to thank the Board, the administration, and my colleagues, especially my Related Arts team who helped me navigate this new chapter at Coshocton Elementary, for their support over the years. I am proud of the inclusive, welcoming environment we have built together.

As I prepare for this next chapter, I am committed to ensuring a smooth transition. I am happy to assist in the process of handing over library operations and mentoring my successor to ensure the continued success of our students and staff.

Thank you all for the opportunity to have served this district. I leave with fond memories and deep pride in the work we have accomplished.

Sincerely,

*Kimberly Beaumont*
