With my start date at Heath City Schools set for July 13, I would like to formally submit my resignation from my position at Coshocton City Schools, effective July 12.

I want to express my sincere appreciation for the opportunity to serve as Athletic Director at Coshocton High School. During my time here, I have been fortunate to work in a supportive environment that allowed me to grow as a leader while contributing to decisions that positively impacted our student-athletes, coaches, and community.

I am especially grateful for your partnership and trust as we worked through significant initiatives such as the scoreboard project, ongoing facility improvements, hosting major events, and other important program decisions. Your commitment to investing in our athletic programs has strengthened the overall experience for our students and positioned Coshocton Athletics for continued success.

Thank you again for the opportunity to serve this district and community. I am truly appreciative of the relationships and experiences I have gained here.

Sincerely,

Justin Smith
