Dear Superintendent Nicholas, Dr. Claxon, & M r. Loomis,

After 33 years of service as a teacher with Coshocton City Schools, I am writing to formally announce my intent to resign, effective May 29, 2026 in preparation for retirement.

I have had a truly rewarding journey in education, and I am deeply grateful for the opportunity to spend my career in a district that means so much to me. I have been fortunate to work alongside exceptional colleagues who have inspired, supported, and challenged me throughout the years. The professionalism and friendships have made this experience incredibly meaningful.

Most importantly, I have had the privilege of teaching and connecting with so many wonderful students. Their growth, resilience, and enthusiasm have been the heart of my career. I sincerely hope that I have made a positive impact on their lives and contributed in some way to the continued success of our school district.

My journey in education began here at Coshocton City Schools, and it feels especially fitting to conclude in the same place. I will always carry with me the special memories, relationships, and experiences from these past 33 years. I feel truly blessed to have been a part of this community.

Thank you again for the support, encouragement, and opportunities you have given me throughout my career. Coshocton City Schools will always hold a special place in my heart.

Sincerely,

Eileen Slusser
