Dear Superintendent Nichols, Dr. Claxon, and Mr. Loomis,

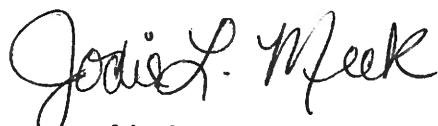

With a full heart and mixed emotions, I am writing to inform you that I will be retiring from the Coshocton City School District at the end of this school year. This decision comes after 35 ½ years of teaching in the same school district where I once learned as a child—a full-circle journey that has filled my life with meaning.

Teaching has always been more than just a job for me; it is a calling and an act of love. I will always cherish the moments spent with my students and colleagues—the laughter, challenges, and triumphs. Being able to give back to the community that raised me has been one of the greatest honors of my life.

The relationships I made and the memories I have are things I will always hold close to my heart. I am so fortunate to have been a small part of the countless lives I've encountered, and I will forever carry the pride of being a Coshocton Redskin with me.

Thank you from the depths of my heart for your unwavering support, trust, and kindness throughout my career. As I look ahead, I am excited to see how the district continues to blossom and thrive. Know that I will always be cheering for you, filled with love and pride for all that you do.

With all my warmest wishes and deepest gratitude,

Go Skins!

Hello Jodie,

First and foremost, congratulations on your retirement! You will truly be missed, and I hope this next chapter brings you joy, relaxation, and many new adventures.

We've included your retirement on the upcoming board agenda for approval. When you have a moment, could you please share your official retirement date—or the first date of your retirement according to STRS? I'll use the day prior as your official retirement date for our records.

Thank you so much, and wishing you all the very best in this exciting new phase!

Thank you,
Terri
