Dear Matthew Nicholas,

Truly, this is no April fool's joke! I am finally answering the most anticipated question at work, when are you retiring?

I am planning to retire from Coshocton City Schools with my last day June 30, 2026. I plan to retire with SERS, July 1, 2026. I do have an appointment with SERS Thursday, May 28 to sign papers.

I want to express my sincere gratitude and privilege to work with Coshocton City Schools' Board and staff!

If I can be of any assistance during this transition, please let me know.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Thomas".

Pamela Thomas
