

07/01/2026

Please accept this letter as my formal resignation from my position as a third-grade teacher with Coshocton Elementary School effective August 7th 2026.

This decision was not made lightly. Having completed my student teaching in the district and then spending the past two years teaching here, I am incredibly grateful for the opportunities, support, and experiences I have been given. The relationships I have built with students, families, colleagues, and administrators have played a significant role in my growth as an educator.

After much consideration, I have accepted a teaching position in a district that is closer to my home and the district my children will attend. This opportunity will allow me to better balance my professional and family responsibilities while remaining committed to my passion for education.

I want to sincerely thank you for your guidance, encouragement, and support throughout my time in the district. I am proud to have been part of this school community and will always value the experiences and memories I have gained here.

Thank you again for everything. I wish the students, staff, and district continued success in the years ahead.

Sincerely,

McKenzie Braun
