Dear Mr. Herman, Please accept this letter as my formal resignation from my position as a volleyball coach at Coshocton High School.

This was not an easy decision because I am truly grateful for the opportunity to coach and be part of the volleyball program. Having recently graduated from high school, I am beginning my career as a nail technician and did not initially realize how much time and dedication it would take to establish myself professionally. I will also be exploring colleges this fall, and I feel it is important to give my full attention to building my future and determining my next steps.

I sincerely appreciate your understanding and the opportunity you have given me. I have enjoyed working with the athletes and being involved with the program. Once my career and educational plans are more established, I would love the opportunity to coach again in the future.

Thank you again for your support and understanding.

Sincerely,

Aviana Pfister
